Verse 1

Mama your shadow
follows me everywhere I go
And when I travel
I travel with my village inna mi head Oh
I be the child of a kingdom
of great people
And my history is a heavy load
I still bear the sequels
But I'm still on my feet Oh
And i keep my head up
Douma douma reeroo,
I will walk alway from you
douma reerook yaw ,
I will not walk away from you
fouma mana né sa tour laay wouyoo //
No matter how far I go I will answer by your name

Hook

Wan ma ni nga taaroo /
Wu Africa ni warembo /
Sopp naa sa rée /

Verse 2

You are so courageous despite all you go through your smile is contagious
Mysterious land of ancient spirit and good neighbors
This vibration reminds of Lagos,
So many borders we can cross
Now the time for a change has come
My generation is facing a great loss
of bearings and trust
but I believe we shall overcome

Douma douma reeroo, douma reerook yaw, fouma mana né sa tour laay wouyoo /
Hee mama Africa
Hee mama Africa
