

Day To Day Struggle - Faada Freddy

Put the blame on me
I'll pay the cost of your mistakes
Put scorn on me
What difference does it really make

Make me your catch all alibi
For your failures and your inadequacy
One day or another
You're gonna have to face the whole reality

Just 'Cause I forgave doesn't mean that I forget
Don't take my Intimacy for granted

**Oh It's a day to day struggle
When you think you got it all you lose the battle
Oh It's a day to day struggle
When you think you got it all you lose the battle**

**Love is a day to day struggle
Love is a day to day struggle
And the day you lose the battle is when you think you got it all
Love is a day to day struggle
Love is a day to day struggle
And the day you lose the battle is when you think you got it all**

To blind to see
What you had in the palm of your hand
Simplicity sometimes could mean happiness
You wanted the Spotlights
All I wanted was somebody to love

I was at your beck and call
You played with me you lost the game
Now you dance alone

Just 'Cause I forgave doesn't mean that I forget
Don't take my Intimacy for granted

**Oh It's a day to day struggle
When you think you got it all you lose the battle
Oh It's a day to day struggle
When you think you got it all you lose the battle**

**Love is a day to day struggle
Love is a day to day struggle
And the day you lose the battle is when you think you got it all
Love is a day to day struggle
Love is a day to day struggle
And the day you lose the battle is when you think you got it all**
