

# Beautiful - Faada Freddy

They don't like us, let them hiss  
Let them bite and break them teeth  
Tough skin boy never miss  
Any chance to give you kiss  
Make me your mister and I'll make you my miss

I like when our bodies  
Dance in the mist  
With only our shadows to witness  
This sweet love we cherish  
Yeah I like it like

## **Beautiful**

**Like this moment when the butterflies  
are battling wings in slow motion  
You bring colors to my emotion  
I fall in love with you each time  
You bless me with your smile  
And you got me gazing for a while**

**I don't care, I don't care, It's you I'm staring at  
I don't care, I Don't care, It's you I'm staring at  
I don't care, I Don't care, It's you I'm staring at  
You're my present and my future, It's you I'm staring at  
Hey**

Draw me a little sunrise  
Up on your beautiful face  
Let me see these pearly eyes  
Lighting up the stars of grace  
Let your smile radiate  
So the heaven I could embrace

You are my sunshine  
You are my sunshine  
You  
You are my sunshine

And you're so  
Beautiful  
Like this moment when the butterflies  
are battling wings in slow motion  
You bring colors to my emotion  
I fall in love with you each time  
You bless me with your smile  
And you got me gazing for a while

I don't care, I don't care, It's you I'm staring at  
I don't care, I Don't care, It's you I'm staring at  
I don't care, I Don't care, It's you I'm staring at  
You're my present and my future, It's you I'm staring at  
Hey
